NOTICE OF AUCTION SALE OF AN OPTION TO PURCHASE PULP- WOOD.

THERE will be offered for sale at public auction by the Minister of Lands, Forests, and Water Resources at 2 p.m., or as soon as possible thereafter, on August 2, 1965, at the office of the said Minister in Victoria, the option to purchase 35 million cubic feet of pulpwood annually for a term of 21 years from Pulpwood Harvesting Area No. 8.

The Fernie, Cranbrook, Creston, Upper Kootenay, Windermere, and Kinbasket Public Sustained-yield Units shall constitute Pulpwood Harvesting Area No. 8.

Any bonus bid over and above stumpage rates shall be in amounts of 10 cents or whole multiples thereof per 100 cubic feet of timber.

All intending bidders must be prepared to deposit the sum of seven hundred thousand dollars (\$700,000) in cash or by certified cheque. All certified cheques must be made payable to the Minister of Finance.

At the moment the auction is to be held, an announcement will be made from the office of the Minister of Lands, Forests, and Water Resources that the auction is to begin, and all interested parties wishing to attend may do so.

All bids must be in compliance with all particulars of the sale, and any bid

which is not in accordance therewith may be rejected.

Upon completion of the bidding, the successful tenderer is required to sign the tender which evidences the agreement of sale. If the successful tenderer fails to satisfactorily execute the formal option agreement, two copies of which will be forwarded to him, then the initial payment shall be liable to forfeiture either in whole or in part.

Anyone unable to attend the auction in person may submit a sealed tender, which will be opened at the time of the sale and treated as one bid. Such tender must be accompanied by either cash or a certified cheque negotiable at par to cover initial charges and deposits as set forth in detail on the tender form. If unsuccessful, the tenderer will be notified and the amounts accompanying the tender will be returned. Also all deposits of unsuccessful tenderers attending the public auction will be returned.

It is a term of the pulpwood harvesting area option agreement that the successful purchaser is required to construct and operate a pulp-mill capable of producing at least 700 tons per day of pulp and (or) paper and to have such pulp-mill in operation by December 31, 1970, at a location approved by the Minister, and accordingly a site plan of the proposed pulp-mill must be submitted with each tender.

Bids will be acceptable only from those companies that submitted proposals and counter-proposals at the public hearing held in Cranbrook, January 15, 1965—namely, Canal Development Ltd., Kicking Horse Forest Products Ltd., and Crow's Nest Pass Coal Company Limited.

The Minister of Lands, Forests, and Water Resources may in his discretion reject any or all offers made for purchase of the option agreement.

The terms and conditions of the agreement are subject to the approval of the Lieutenant-Governor in Council.

Further information may be obtained from the District Forester at Nelson, B.C., or the Deputy Minister of Forests, Victoria, B.C.
